

TOY DRIVE

November 5th 2016

The Minneapolis Toy Library will be putting together a team of volunteers to participate in a toy drive on November 5th.

Through Thrivent Financial's Action Team program, we will be able get the word out and drive to neighbors houses to pick up toys.

Your toy donations will help fill our "community toy box," for members of the toy library. They will be loved for many more years to come!

If you have toys to donate, please email mplstoylibrary@gmail.com. We will email you about pick up times on the 5th.

Toys accepted (this is not a complete list)

Our focus is on birth to age 5

Board games

Wooden blocks

Soft baby blocks
